## Description

Spacious and luxurious, Saramanda is an elegant, five bedroom villa set in beautifully landscaped grounds on the exclusive Sandy Lane Estate in St James, Barbados. Saramanda gives you the opportunity to enjoy a taste of Caribbean living with the freedom of a home away from home. Whether vacationing with family or friends, each day is your own. Designed around a central, airy atrium and seamlessly blending indoor and outdoor living, Saramanda has plenty of space for guests to simply relax and unwind; all of the living and dining rooms open out to the pool and garden. The large indoor living room features oversized comfortable sofas and French doors that open out on to a covered terrace with outdoor seating and an informal dining area. The laid-back media room, adjacent to the living room, features wide screen HDTV, cable and DVD and also opens out to the pool deck. Inside, the elegant dining room features a large coral stone table where everyone can gather for meals and enjoy quality time together. Our friendly staff will provide you with three meals a day, after discussing your particular culinary preferences. Groceries can be purchased for you and charged to your account, or you can source them yourself from the local supermarket in Hole town. Stay close to home by visiting Sandy Lane beach or Hole town (5 minutes to the north), with its lively atmosphere and plentiful bars and restaurants or venture further north, to Speights town for some local flavour and freshly caught fish. Travel further afield to the south coast, where you can explore St Lawrence Gap and find nightclubs that will take you into the wee hours. Saramanda is a non-smoking villa and we ask our guests to please smoke only outside of the building.
